PROFILE

Full-stack web developer and 4th-year BSIT student at De La Salle Lipa seeking an [internship / entry-level] role in software development. Co-developer of a deployed capstone system and builder of POS systems for real businesses, with hands-on work in Supabase, JavaScript, React, and networking.

EDUCATION

Bachelor of Science in Information Technology
De La Salle Lipa | [Start year] – [Expected graduation]
College of Information Technology and Engineering

PROJECTS

ComTrike: Complaint Management System for Tricycle Commuters
Capstone Project | *Co-Developer* | *Lipa City* | *Supabase, JavaScript, Bootstrap 5, Fluent UI React, Vercel*

- Co-developed a web system where commuters file complaints, routed to LTO and LGU officer dashboards.
- Built multi-violation submission and split-jurisdiction routing between LTO and LGU.
- Secured data with Row Level Security plus retention and disposal features aligned with RA 10173.
- Wrote 52 test cases, ran UAT with LTO personnel and commuters, and added Vitest unit tests.
- Deployed on Vercel and defended the system before the capstone panel.

Garcia's Auto Supply POS
Client: Garcia's Auto Supply | *Co-Developer*

- Building a point-of-sale system for a local auto supply shop.

Fedelicious Wings POS and Analytics
Client: Fedelicious Wings | *Co-Developer* | *Fluent UI*

- Redesigned the Dashboard, Analytics, Transactions, Staff, and Payroll pages of a restaurant POS using Fluent UI.

Barangay Incident Reporting System
Team Project | *Co-Developer*

- Co-developing a system where residents report incidents and barangay officials track and respond to them.

TECHNICAL SKILLS

- Languages: JavaScript, HTML, CSS, SQL, Python
- Frameworks & UI: React, Bootstrap 5, Fluent UI React
- Backend & Databases: Supabase, PostgreSQL, Row Level Security, Edge Functions
- Tools: Git, GitHub, Vercel, Vitest, Packet Tracer
- Networking: Static routing, Subnetting, Layer 2 security, WLAN

CERTIFICATIONS

- Python Essentials 1 and 2 – Cisco Networking Academy
- Cyber Threat Management – Cisco Networking Academy
- Skills to Succeed Academy – Accenture
